SUBJECT: eGMS 2012/2013 Carl Perkins Allocations Update

---

The following is an important update regarding the 2012/2013 Carl Perkins Applications managed through eGMS.

eGMS will be updated by close of business on January 11, 2012 to include supplemental funds to the FY 12/13 Carl Perkins project. The supplemental funding consists of the FY 12-13 Carl Perkins Final Allocation and the FY 11-12 Carl Perkins Reallocation. Allocation schedules are attached for your reference.

Please note that the process to utilize these funds will vary depending on the status of your application.

### APPLICATION STATUS

- Approved Application – If you have an approved application a new amendment must be created in order to have access to the supplemental funds. You will need to modify your application as appropriate and submit within 60 days. If not submitted within 60 days your Reimbursement Request submission capability will be discontinued until your amendment is submitted.
- Application/Amendment in Process – If your application/amendment is in process and not submitted the supplemental funds will be available upon release and be reflected in your total allocation amount. The application must be modified to accommodate the change in allocation before submission can be completed.
- Application/Amendment Submitted and under Agency Review – if your application/amendment is approved then an Amendment would be required as detailed above. If the application is returned for modification then the allocation changes would have to be accommodated before resubmission.

Should you have questions regarding this information you may contact Julie Cutrer at (225) 342-0181.
