Spring 2013 Field Test (LEAP/iLEAP)

A Guide for District Coordinators
Setup and Access in LDOE| INSIGHT

User Setup for the Assessment Reporting (ASM) Application in LDOE | INSIGHT

ATTENTION: *District Security Coordinators and District Test Coordinators*

The **Spring 2013 Online Field Test Results** are projected to be released this week from the [LDOE|INSIGHT](#) portal. Each district has an assigned **District Security Coordinator** who is responsible for managing user access to this portal. To prepare for the upcoming release, district coordinators should follow the steps below to ensure timely access to these results.

District Test Coordinators should:

1. Contact your District Security Coordinator to determine who should be given access to the Field Test Reports. See list of field test participants.
2. Request that the District Security Coordinator create a user account for district and school test coordinators in your district.
3. If School Test Coordinators will be given access to the field test results for their school, discuss the user roles with the District Security Coordinator to ensure that the appropriate school-level of reports are available.

If District Test Coordinators have questions, please call (877) 453-2721 or email at louisianabelieves@la.gov

District Security Coordinators should:

1. Consult with the District Test Coordinator to determine who should be given access to the district and school level reports.
2. Use the [Totally Automated Security \(TAS\)](#) application to set up user accounts for the Assessment Reporting (ASM) application.
3. Assign one of the following roles to each user account:
 - a. **ASM_LEA_STAFF – Provides access to all district/charter level Field Test reports**
Please note: When “ASM_LEA_STAFF” role is selected in TAS the Security Coordinator must also select “<All Sites In Sponsor>” from the “Account Permissions for ASM” list.
 - b. **ASM_SCHOOL_STAFF – Provides access to school/site level Field Test reports.**
Please note: For “ASM_SCHOOL_STAFF” role a school/site must be selected from the “Account Permissions for ASM” list.

If District Security Coordinators have questions, please contact DOE Security Helpdesk at SecurityDOE@la.gov.
